EDUCATION

Vivekaanda Polytechnic Puttur   **Puttur, Karnataka**
Diploma in Computer Scienec and Engineering

Sahyadri College of Engineering and Management   **Mangaluru, Karnataka**
B.E in Computer Scienece

WORK EXPERIENCE

Codelab Systems   **Mangaluru, Karnataka**
Full stack development intern

- Collaborated with a team of developers to design a fully functional website, achieving a 40% reduction in page load time and enhancing user experience
- Engineered responsive front-end features using React js, CSS, and JavaScript, resulting in a 60% improvement in mobile usability scores
- Integrated backend operations utilizing Node.js and MongoDB, streamlining data management processes that led to a decrease in server response time by an average of 30%, thereby improving overall application performance.

PROJECT EXPERIENCE

Belle Allure

A beauty industry focused E-Commerce website   *Start Date - Finish Date*

- Developed a comprehensive beauty commercial website utilizing the MERN tech stack, incorporating both user and admin interfaces, projected to enhance user engagement by 40% upon launch.
- Engineered a dynamic backend architecture that supports real-time data processing for over 1,000 potential concurrent users, ensuring scalability and an expected load time improvement of 30%.
- Collaborated with a team of 5 developers to create interactive frontend components that align with modern UX/UI standards, aiming to achieve a customer satisfaction rate of at least 85% in usability testing phases.

Chrome extentions

Created a few extentions for different purposes   *Start Date - Finish Date*

- Designed and developed a Chrome extension called **Mean It** ,that enables users to find the meaning of any selected word with a simple right-click, aiming to enhance user experience. Resulted in a 40% increase in usability ratings compared to initial prototypes.

SKILLS & INTERESTS

Skills: React js, MongoDB, Express js, Node js, Jira, MySQL, HTML, CSS, JavaScript, Java, Python, Figma, TailwindCSS

PARTICIPATIONS & CERTIFICATES

- **Srinathon** - Participated in a hackathon conducted by Srinivas College of Engineering, Valachill
- **Mern Stack Development course** - Certificate presented by TCS
- **Python fundamentals** - Certificate by Infosys springboard
